Seed times achieved between August 1, 2025-December 10, 2025 in an SSA and/or SSC sanctioned event. Personal best seed times will be used to rank the skaters in every zone.

The top 3 ranked skaters/gender from each age class category (Group 1 & Group 2) in each zone will have earned a spot on the Alberta Winter Games Team.

FILL POLICY

If there are any vacancies in any of the categories, the position can be filled based on the following priorities:

1. First opportunity will be given to the host zone (Zone 8) by filling from the gender of the category (Group 1 or Group 2) where there are empty positions.
2. If there are still any remaining positions, the next opportunity is to the remaining zones in the same age and gender category (Group 1 or Group 2) based on the Provincial Ranking List for that category (Group 1 or Group 2).
3. If there are still open positions, then the zone with empty positions will fill using the other gender. Zones will use the highest provincially ranked skater(s) in their respective age category (Group 1 or Group 2) of the opposite gender. If skaters in different ages are ranked the same by using points in their own age category (Group 1 or Group 2), then the tie will be broken by using the fastest 400m time (12/13 yr. olds) or the fastest 500m time (14/15 . olds) between August 1st and December 10, 2025.
4. If there are still remaining spots in a category (Group 1 or Group 2), then the host zone may fill using the other gender, using the same ranking system as in point 2.
5. If there are still remaining positions in an age category (Group 1 or Group 2) then the other zones may fill using the highest ranked skaters from any zone based on the same ranking system from point 2.
6. If there are no times for the current season, the previous year's times will be considered for a fill position.

*Fills must be submitted for approval to the Multisport Games Unit by **January 13, 2026**.*
