

AGE GROUP(S)

U13: Year of birth 2013 or 2014 (4 males, 4 females)

U15: Year of birth 2011 or 2012 (4 males, 4 females)

*Athletes must be at least 11 years of age by the opening day of the Alberta Games
- Born before February 13, 2015

ZONE TEAM COMPOSITION

The maximum team size shall be:

16 athletes per Zone (# of females 8 # of males 8)

2 coaches and 2 chaperones per Zone (# of females max 2 # of males max 2)

In the case a Zone has less than 10 competitors the Zone will be allocated a maximum of 2 coaches / chaperones: 1 female, 1 male where at least one must be a coach.

Any additional coaching spots, up to the maximum as per the Multisport Games Unit quota for the Alberta Winter Games, will be allocated to Zones with the largest number of competitors after the fill policy is complete.

FILL POLICY

1. Provincial Sport Coordinator in conjunction with the Zone Coordinators will regulate fills.
2. Each Zone will forward their official Zone qualifier results to the Nordiq Alberta office by **January 6, 2026**. The results must clearly indicate which athletes meet eligibility requirements. The list of qualifying athletes will be broken down by category including age group and gender. The list will also include the additional athletes who desire to attend the games, known as fills.
3. The ranking list will also indicate the ranking order of any additional athlete, known as fills. This is especially important for Zone qualifiers that are open to athletes from other Zones (such as using an AB Cup for a Zone qualifier).

Deadline date to submit Zone qualifier results and ranking of the additional athletes is by **January 6, 2026** to the Nordiq Alberta office.

Fill spots will be distributed according to the following steps:

1. Automatic qualifier: Each Zone of the 8 Zones is allocated the following number of athletes:
U13: 4 males, 4 females
 - A. U15: 4 males, 4 females, Athletes and Fill Athletes will compete in their own category, (age and gender), for their respective Zone.
 - B. A Zone may have more than the standard number of athletes for a category, (eg. more athletes for U13 females) only if other Zones have fewer than the allocated numbers for the same category.
 - C. A Zone may have more than the allocated 4/4 (U15/U13) athletes by gender within a Category if other Zones are not able to fill their complement.

- D. There are a maximum 128 athletes, with 64 male and 64 female athletes competing if all categories are filled.
2. Fills: Each unclaimed spot for each category will be allocated to other Zones based on participation numbers at each Zone qualifier.
Respective Fill Percentages will be calculated and allocated to each Zones (rounded down).
After the initial fills procedure of the rounding down exercise is completed and fill positions are still vacant, the remaining fill positions will be drawn by the way of a double random draw procedure to allocate the next available athlete(s) in that (those) Zone(s)

Example: CATEGORY: U15, automatic qualifying numbers: 4 males per Zone:

	Z1	Z2	Z3	Z4	Z5	Z6	Z7	Z8	
# athletes at Zone qualifier	4	2	8	0	9	2	0	11	Total: 36
Automatic qualifiers	4	2	4	0	4	2	0	4	12
Extras	0	0	4	0	5	0	0	7	Total: 16
Respective fill percentages	(0/16) *12 = 0	(0/16) *12 = 0	(4/16) *12 = 3	(0/19) *12 = 0	(5/16) *12 = 3.75	(0/16) *12 = 0	(0/16) *12 = 0	(7/16) *12 = 5.25	
Fill numbers rounded down	0	0	3	0	3	0	0	5	Total: 12

3. In the unforeseen situation where the total number of athletes that participated at trials in a category is less than the available positions, then the remaining positions will be redistributed to a different category (same sex) with the most Zone qualifier athletes.

Example: Only 22 athletes participated in all Zone trials in the U15 women category. The extra positions will be given to the U13 category since they were a bigger field than the U15 category in total numbers from all Zone qualifiers.

*Fills must be submitted for approval to the Multisport Games Unit by **January 13, 2026**.*

Other Information

Nordic Alberta respectfully requests all coaches, athletes, wax technicians, and parents to abide by a self-governed protocol while waxing skis for identified races taking place in Alberta.

Cold Weather: The Temperature cutoff will be the air temperature below -15 °C at the start of each race event. Temperature is to be measured at the coldest point of the course and without the wind factor. The jury will consider shortening the distances, postponing or cancelling the event.

Waxing protocol:

- Structure tools ARE permitted.
- Non-fluoro (NF) waxes ARE permitted.
- Fluorinated glide waxes or tuning products containing fluorine liquid are NOT permitted. This includes all types of fluorinated glide wax (e.g. LF, HF, block, powder, liquid).
- Fluorinated Kick Wax is NOT permitted for all age categories at this time.

*as of 2024, recognition of a potential change to provincial waxing protocol may take place in the future, and could be implemented for this event.

PROTEST PROCEDURES

A protest form must be submitted within one (1) hour of the unofficial results being posted to the Race Secretary who will forward it to the Chief of Competition.

The protest is then decided on by the sport jury consisting of the Chief of Race, Technical Delegate and Provincial Sport Coordinator and one (1) coach pre-selected prior to the event by the Provincial Sport Coordinator.
