ENTRY AND ZONE PLAYOFF PROCEDURES

Each player attending a Zone team tryout camp will be charged a \$75 individual tryout fee.

Zone team representation will be completed by selecting individual players from each zone.

Potential participants will be rated by grading basic Lacrosse skills such as cradling, passing, catching, loose ball work and physical endurance. In addition, potential players

will be rated for their knowledge of the game and sportsmanship for bonus points. Thus, every participant will have a score rating their Lacrosse skills up to 25 and then receive additional bonus points up to 10 for knowledge and sportsmanship. The participant with the highest ratings will comprise the zone representation.

Goalies will be evaluated on ball stopping, positioning, awareness of attack, passing, and communication.

The evaluation process will rank left and right handed players separately to ensure that there will be a balance of left and right handed players on the team. These ratings will be done by independent evaluators such as senior and junior players registered with the ALA.

All players will be evaluated on their performance at the Alberta Summer Games tryout camp(s). Players who do not actively participate in Alberta Summer Games tryout camp(s) will not be considered for the Zone team.
